About Highland Canine Connect

Highland Canine Connect is a 501(c)(3) non-profit organization that advocates for the community in need through canine connections. Your support makes it possible for service dogs to be placed free of charge with differently abled children and adults, for therapy dog reading programs in schools, therapy dog pediatric grief programs, as well as working dogs for our nation's law enforcement and military. Our programs could not take place without the generosity of our supporters.

Annual Fundraising Event

On October 7, 2023, Highland Canine will host our popular cornhole tournament at our training facility (162 Early Lane, Harmony, NC). Proceeds from the event help Highland Canine Connect provide our community initiatives and specialized programs at no cost.

The event hosts multiple food and drink vendors from around the area as well as specialty item vendors. A kids area with activities and fun make it a perfect event for families. There will be live music, dog exhibitions, as well as other fun and engaging activities for all ages.

Your generous support helps us transform lives through the power of canine connections, providing education, and creating partnerships to serve both the canine community and people.
